- Subsequent requests, size changes, reorders and purchases made after the deadline are subject to the late-order/reorder price and availability.
- Colours are allocated according to the priority of approved confirmation. Each colour may be assigned to a maximum of 5 teams.
- Once all 5 allocations for a colour have been assigned, the team must choose from the colours that remain available.
- Team Principals and Team Managers, even if they are not drivers, may purchase both the Racing Set and the Apparel Set.
- Additional customisations, including extra logos, names, flags and embroidery, are quoted separately and must be approved by KF1.
- Garments with additional customisations will not be shipped in advance: delivery will take place exclusively at the track upon the team's arrival.
- For standard products without additional customisation, individual home delivery may be available through the Amazon channel or another logistics service specified by KF1.
